PROFESSIONAL EXPERIENCE

Bank / Firm Name — Investment Banking Division, Summer Analyst Jun – Aug 2026

- Built the three-statement operating model for a $340m industrials carve-out; sensitivity analysis informed the final $22m price adjustment.
- Maintained trading and transaction comps across 14 European chemicals names, feeding weekly valuation updates to two live sell-side mandates.
- Drafted three sections of a 60-page CIM; materials used in first-round meetings with eight strategic buyers.

Boutique Advisory Firm — Off-cycle Analyst Jan – Apr 2026

- Screened 40+ targets for a mid-market software mandate; shortlist of 9 progressed to management presentations.
- Automated a DCF sensitivity workbook in Excel/VBA, cutting turnaround from 5 days to 2.

LEADERSHIP & EXTRACURRICULARS

University Investment Fund — Sector Head, Industrials 2025 – Present

- Led a 6-person team managing a £120k student fund; equity pitch on a mid-cap logistics name returned 18% over 9 months.

National Case Competition 2025

- Placed 2nd of 84 teams; delivered a market-entry recommendation to a panel of three partners.

SKILLS, CERTIFICATIONS & INTERESTS

- Technical: Financial modelling, DCF/LBO/Comps, Excel (advanced, VBA), Python (pandas), Bloomberg, CapIQ, FactSet.
- Certifications: CFA Level I candidate (Feb 2027); Wall Street Prep Modelling.
- Languages: English (native), German (C1), Mandarin (B1).
- Interests: Competitive rowing (national squad trialist), macro history, chess (ECF 1850).
